

CHCP Online CHCP American Dream Scholarship Application

Started by physicians at the Texas Medical Center in Houston, The College of Health Care Professions (CHCP) has been educating, graduating and placing students in allied health care careers for over 25 years! CHCP students attain knowledge and proficiency through demonstration, actual operation of equipment, and practice of learned techniques. Our aim is to provide students with the knowledge and technical proficiency that makes them employable for entry-level positions in the allied health care field, while supporting their continued career path goals. CHCP is proud to be accredited by The Accrediting Bureau of Health Education Schools (ABHES).

The College of Health Care Professions Online is offering up to a \$2,000 academic scholarship for an associate degree program and up to a \$3,500 academic scholarship for a bachelor degree program to attend CHCP Online. All those interested in pursuing a career in health care and are looking for the flexibility of a online program are encouraged to apply.
