STUDENT RIGHT-TO-KNOW RATES (RATES EFFECTIVE JULY 1, 2023)

OVERALL GRADUATION RATE FOR STUDENTS WHO BEGAN THEIR STUDIES IN 2019-20 IS 51%

The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate. It tracks the progress of students who began their studies as **full-time, first-time degree- or certificate-seeking students** to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled.

Note that not all students at the institution are tracked for these rates. Students who have already attended another postsecondary institution, or who began their studies on a part-time basis, are not tracked for this rate.

GRADUATION RATES BY TIME OF COMPLETION

Graduation rates can be measured over different lengths of time. "Normal time" is the typical amount of time it takes full-time students to complete their program. For example, the "normal" amount of time for many associate's degree programs is 2 years. Not all students complete within the normal time, so graduation rates are measured by other lengths of time as well, including "150% of normal time" (e.g., 3 years for a 2-year program) and "200% of normal time," or twice as long as the normal time (e.g., 4 years for a 2-year program).

BEGAN PROGRAM IN:	GRADUATED WITHIN "NORMAL TIME" FOR THE PROGRAM	GRADUATED WITHIN 150% OF "NORMAL TIME" TO COMPLETE PROGRAM	GRADUATED WITHIN TWICE AS LONG AS "NORMAL TIME" FOR THE PROGRAM
2019-2020	39%	51%	N/A
2018-2019	56%	72%	73%
