STUDENT RIGHT-TO-KNOW RATES (RATES EFFECTIVE JULY 1, 2022)

OVERALL GRADUATION RATE

The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate. It tracks the progress of students who began their studies as **full-time, first-time degree- or certificate-seeking students** to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled.

Note that not all students at the institution are tracked for these rates. Students who have already attended another postsecondary institution, or who began their studies on a part-time basis, are not tracked for this rate.

OVERALL GRADUATION RATE FOR STUDENTS WHO BEGAN THEIR STUDIES IN 2015-2016 is 48%

BACHELOR'S DEGREES GRADUATION RATES

Bachelor's degree graduation rates measure the percentage of entering students beginning their studies full-time and seeking a bachelor's degree, who earn a bachelor's degree within a specified amount of time. **At this institution, 5 percent of the overall cohort were pursuing bachelor's degrees in 2015.**

Graduation Rates for Students Pursuing Bachelor's Degrees

| 2015-2016 | 26% | 26% | NA |
